HISTORICAL SOCIETY ANNUAL MEETING FOCUSES ON OUTSIDE INFLUENCES

The impact of outside influences on the history and development of Bethel was the featured topic at the annual meeting of the Bethel Historical Society held Thursday evening, Sept. 7, in the meeting room of the Dr. Moses Mason House. Approximately 60 members and guests attended the meeting which was preceded by a bountiful pot luck supper. This meeting marked the official opening of the exhibit "Outside-In", a project undertaken by the Society in cooperation with the Maine State Museum and funded by the Maine Council for Humanities and Public Policy.

The program was highlighted by the film "A White Heron" based on the short story by Sarah Orne Jewett and introduced by Society Director Stanley R. Howe. "The film focused on outside influences upon a Maine girl in the Berwick area at the end of the last century. It effectively portrayed the conflict of values and emotions she experienced when encouraged by an ornithologist from 'away' to reveal the nesting area of a white heron that he might shoot it for his specimen collection. While flattered and tempted by the attentions of this outsider, the girl, Sylvia, nonetheless is so overwhelmed by the beauty of this bird that she cannot tell the heron's secret and give its life away." Outside influences can seem inevitable and overpowering but may also be denied or thwarted.

Following the film, Society Director Howe attempted to outline how the exhibit was conceived to deal effectively with outside influences upon Bethel. He divided the town's history into three periods and analyzed the major outside forces in each case. The first was the American Revolution which interrupted and slowed the settlement of the town. The Indian raid of 1781, Howe asserted should be seen in the larger context of the Revolution with the French attempting to influence the Indians in disrupting English settlements.

The next period under consideration was that of the middle of the 19th century when the Atlantic continued on Page Four

HISTORICAL SOCIETY OFFICERS

Officers of the Bethel Historical Society elected at its annual meeting last Thursday evening are, left to right: Donald G. Bennett, president; Judith Haskell, director for three years; Edith Eddy, secretary; and Catherine Newell, vice-president. Margaret Joy Tibbitts was elected treasurer.

BETHEL DEMOCRATS MET TUESDAY EVENING

Paul McGuire, candidate for representative from District 63, met with the Bethel Town Democratic Committee on Tuesday evening at the home of Charlie and Cathy Newell in Bethel. McGuire reported to the group on his activities of the summer, which included visits to various parts of the district the circulation of a questionnaire on tax limitation proposals, and research on a variety of issues dealing with taxation.

The regular campaign meetings of Citizens for McGuire will be held on Sunday evenings from now until November 7, with the next meeting set for September 17 at 7:30, in the lounge, Davidson Hall.

CANADIAN TOURISM IN REGION TO BE PROMOTED

Beginning in October, the United States Travel Service will conduct a Canadian newspaper campaign urging Canadians to visit Maine, New Hampshire, Vermont and/or up State New York during the month of November. The key element of this promotional effort carries the inducement that participating U. S. businesses will accept Canadian currency at par with the U. S. dollar.

The Greater Bethel Chamber of Commerce along with other local chambers has been asked by the Maine State Chamber of Commerce to assist in this program by notifying the Maine Publicity Bureau of area firms that wish to participate. It is understood that lists of participating businesses will be made available to prospective Canadian tourists through Canadian offices of the U. S. Travel Service. In addition, plans are to provide an emblem or decal to show Canadian visitors that a shop or motel is in the program.

The program's sponsors believe that participating firms such as motels and retail shops stand a good chance for benefiting themselves during a normally slack business period. The U. S. Travel

BETHEL HOSPITAL AUXILIARY PLANS FOR HOSPITAL FAIR

Planning for the Bethel Booth at the Annual Rumford Community Hospital Fair, Oct. 19, was the topic of the monthly meeting of the Bethel Auxiliary. Fair chairman Regina Belland and Gail Connors announced the theme of the fair will be Octoberfest. Booths may be set up Tuesday, Wednesday or Thursday of that week. Two entertainment attractions have been added to the events of the day, puppeteer Mrs. Rudolph Wirth and Frank Barkley, creator of balloon animals.

Prizes from the Bethel booth will be a full size quilt made in the Dresden Plate design and a ladder back rocker with arms made by Sam Timberlake.

Anyone having things to be sold at the booth may leave them with Barbara Brown, Ruth Ames, Gail Connors or Frances Saunders. A work meeting was scheduled Tuesday, Sept. 19, 10 o'clock at the home of Mrs. Ruth Verville. Turkish towel aprons and quilted holder mitts will be made.

The group voted to give \$100 to the Elsie Waldron Scholarship Fund at the Rumford Hospital. Elsie was a member of the Auxiliary since its formation and was a past president. It was voted for Mrs. Frances Saunders to purchase three dozen children's pajamas for the pediatric ward at the hospital. The next meeting will be held Tuesday, Oct. 9, at the home of Mrs. Ruth Ames.

BETHEL REPUBLICANS MET SUNDAY EVENING

The Bethel Republican Town Committee met on September 10 at the Bethel Savings Bank to plan for the upcoming campaign period. In a report to the Committee, incumbent State Representative Karen Brown reviewed the legislative's tax limitation activities of the past week. Following Representative Brown's report, the committee passed a resolution favoring spending limitations in government operations in Maine. The resolution stated that government should limit spending to preclude uncontrolled growth of government and the resultant overlapping of functions which develop among state agencies as well as between state and local agencies.

Service's view, contained in a circulated fact sheet is that by avoiding credit card charges and by receiving increased Canadian week end travel, the conversion rate loss will be favorably offset. The program calls for accepting only Canadian dollars and travelers checks, no U. S. credit cards. Travel Service also points out that some businesses already accept the Canadian money at par. Locally, the Rumford Zoo followed this practice all summer.

Owners of businesses in the greater Bethel area that wish to participate should contact Chamber Vice President John Grover at the Bethel Spa Motel by Sept. 19.

Mr. and Mrs. Michael Lawthers (Sarah Dorion) were recent guests of her mother, Mrs. Ruth Dorion, and sister, Mrs. Mary Paine. Mr. and Mrs. Craig Davis and family have moved to their new home in Mechanic Falls. They have spent the summer with her mother, Mrs. Peggy Thornton, Rumford Corner.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Board of Selectmen met in regular session Monday evening, Sept. 11, and acted on a variety of items.

Terry Lorber and Bill Baumann of Dubois & King, the Town's consulting engineers for the Sewer Planning Work, met with the Board to discuss the status of the project. The engineers requested a two month extension on the total project, as the original project did not include the Sewer System Evaluation Survey. The request to extend the contract period to Nov. 22, 1978, was approved by the Selectmen. A meeting between the engineers and the Selectmen was set for mid-October to discuss preliminary project recommendations. The Selectmen formally adopted the Special Amusement Permit Rules and Regulations including the changes suggested by residents at public hearings held in June, July, and August. Copies of the Rules and Regulations will be available at the Town Office next week.

Kathie Tremblay, representing the Health Council, met with the Selectmen to review the activities of the Council to date and inform the Selectmen of future directions of the Council.

In other actions, the Selectmen signed a Town Road Improvement fund application for work on the Bird Hill Road, accepted Burton Newton's lease termination request regarding land at the airport, approved the purchase of road salt from the W. H. Shurtleff Co. for 1978-79, and approved the same winter sand sale policy as was in effect last year. The award of bids on a new police car was tabled to the Sept. 25 meeting.

The Selectmen reviewed remaining highway department projects, approved the expenditures of \$4,200 for reconstruction of the Rabbit Road bridge deck and \$3,200 for reconstruction of a section of the Flat Road near the Albany-Mason Line.

Clothing left by children participating in the Summer Playground program is at the Town Office and may be picked up during office hours. Items should be picked up as soon as possible.

In up-coming meetings, the Assessors will be meeting tonight, Sept. 14, at the Town Office, to review the 1979 State Valuation for Bethel with Wilfred Leavitt of the State Bureau of Taxation and to discuss with Clyde Stevens, valuation of his property. The Selectmen will hold a workshop session Monday, Sept. 18 at the Town Office to review priority projects and programs for 1979. On Tuesday, Sept. 19, the Airport Advisory Committee and Assessors will hold meetings in the Town Office. The next regular Selectmen's meeting will be Monday, Sept. 25, at 7 p. m. in the Bethel Savings Bank.

STUDENT REGISTRATION AT GOULD ACADEMY

Admissions Director Edward Hitchcock (left) and Lorenzo Baker, Assistant Director of Admissions (right), welcome students Sarah Disston and Jacob Disston of the Bahamas, and Jane Robinson, East Boothbay, during registration on Saturday at Gould Academy. The school officially opened on Monday for its 142nd year as a co-educational private boarding school.

GOULD OPENS FOR 142nd YEAR WITH 180 ENROLLED

On Monday, Sept. 11, Gould Academy began classes for its 142nd year as a co-educational private boarding school. Headmaster Donald W. Fudge welcomed a total of 180 students at the first all-school assembly on Sunday night. Prior to this meeting, there had been an intensive week of faculty meetings, meetings with student proctors and new student orientations, all designed to get the school year off to a fine start. In addition to these meetings, 14 girls and 48 boys returned to campus to begin field hockey and soccer practices prior to the opening of the sports season with Fryeburg Academy on Saturday, Sept. 16.

Included in the total enrollment are 94 returning and 86 new students providing class sizes of 22 freshmen, 32 sophomores, 65 juniors and 61 seniors. Eighteen students are day students from the local area, including nine faculty students. The new students hail from all over the country and the world, including Bermuda, England, the Bahamas, Canada, Venezuela, Turkey, Saudi Arabia, Japan, Germany and Iran. These foreign students make up approximately 16% of the total enrollment. Of the rest, New England, and in particular Maine, still predominates as the area from which Gould draws its students. A total of 65, or 36% are from the Pine Tree State and an additional 17% coming from the rest of New England. New York represents the next highest enrollment with 23, or 13%. Thirteen other states and the District of Columbia account for the remainder. This gives the school a widely diverse group with an international flavor. The interchange between students and faculty of such widely differing backgrounds and cultures is certainly one of Gould's strong points.

Following an executive session of about one-half hour, the board approved Ellen Durgin as a teacher of physical education for the 1978-79 school year at Telstar High/Middle School.

The directors approved the following as teachers in the Adult Education program: Dora Fudge, Quilling; Carol Gersen, Christmas Crafts; Nina Welford, Italian; Jerry Teffley, Band; Bonnie Pooley, Physical Education; Kay Chadbourne, Effective Parenting.

The following extra curricular appointments were approved: Charles Ramsey, high school drama coach; David Tripp, Telstar yearbook advisor; David Tripp and Suzanne Taylor, Telstar newspaper advisors; Sue Chamberlin, girls' junior varsity field hockey coach. A new job description for the director of elementary physical education was approved. Ray Miclon was appointed as Director of Elementary Physical Education for the 1978-79 school year.

All board members were present with the exception of Frances Gunther, Bethel. The next meeting of the S. A. D. #44 board is scheduled to be held at the Andover Elementary School on Monday evening, Sept. 25.

JACKSON-SILVER POST & UNIT
START FALL MEETINGS

The fall meetings of the Jackson-Silver Post and Unit #88, American Legion and Auxiliary, Locke Mills, got underway Thursday night, Sept. 7, with President Sylvia Dunham and P. C. Cleveland Lovejoy presiding, in the absence of Commander Hermon Cummings, Jr.

Membership dues are coming in toward the goal of \$5, and it's a busy year ahead, with the Post members pushing to get their new hall up, and the roof on, as soon as possible. Help is needed, so members and veterans are asked to come and see what they can do.

Items of business were as follows: voted to order the Memorial Poppy, so the veterans at Togus will have the work, and to send \$25 to purchase items badly needed at Togus for the supply closet. Members will take additional items, when they attend the Oxford County meeting in Fryeburg, Sept. 19.

It has been resolved that the American Legion Auxiliary create position of a Unit Service Officer to work with the Post. President Sylvia Dunham appointed Secretary Grace Smith with the approval of the Post Service Officer to serve in that position.

The Sept. 21 meeting, that is the Boy and Girl State Banquet and Baseball Night that includes their parents, will have special guests and a program.

The members will bring the food for the supper, plus a saleable item for "Goodie Table," that can be baked goods, plants or whatever.

Other announcements include the Second District Meeting, Sept. 24, at 2 p.m. in Farmington; Nov. 4, National Commander's visit with the Rumford Post; Nov. 11, Armistice Day Observance with parade in Locke Mills; Nov. 13, Togus Gift Shop.

The Second District President Jane Pratt was reported ill. Send her a note, at 39 Summer St., Andover, Maine 04210.

— Mrs. Collette Morgan, Corres. —

As I stepped outside to feed the birds and to look at the morning, I surely knew this was the end of summer. To tell why I cannot say in a simple sentence. I just knew it by the smell, and the feel in the air. Things looked no different than a few days ago. The calendars told nothing but it showed in those early asters. The first wild asters lovely when they come always make me think that summer is done.

The far slopes were soft in a tremulous, smoky haze. The hungry hills were nibbling at the far sun, trying to swallow it whole.

"Yes, Fall arrived this morning. I felt her tangy touch. Persuading me to wander. Down paths I love so much."

Georgia B. Adams
Later in the day I did. I left the house to go down the road. Just to walk hoped to still the depressing news which I had this week.

Along the road sides by the pond the poison ivy had begun to change to its red coat but as yet there were no white berries. Often it is confused with the Virginia creeper, so lovely in fall with its five divided or sometimes seven leaves instead of the three like the ivy. Its blood-like sprays are outlined against the green and its berries are blue. It delights to climb and twine, showing that marvelous discrimination in background which so often excites our admiration in nature. Some people call it woodbine, as I sometimes do. I noticed it in one place climbing a dead elm. It displayed its magnificent crimson making its fiery show way to the elm's scraggly tips, giving the elm a look of life. Learn to distinguish them or you'll be sorry.

The daintiest little common milkworts with oblong heads which are somewhat pink clover-like in appearance grew all along the roadside by the ledges.

Occasionally there were clumps of silver rod with crowded, composite flowers like the golden rod but slender and wand-like. Gold finches and bumble bees were visiting the much branched thistles.

One big maple was beginning to show color.

I went to view Turtle Bridge. How grown up the road has become along the center and sides.

When back at the main road, I decided to take the trail to the Diamond Ledge.

The wind had been brisk all the way and the trees swayed and rubbed, as I continued.

The huge rock near the entrance has always intrigued me, so I usually stop to look and "read" it.

Slowly and with delicious care,

I began to allow the living world in which I was wrapped to register on my conscious. The wilderness has always been generous to me, giving me peace, comfort, and understanding as well as pleasure. Some would say I am being fanciful. But if you ever find yourself sitting quietly alone among forest trees, remember what I have said.

I heard the breaking of branches and hoped to see a deer but none appeared; just the wind I presumed. I traveled up on the trail for some distance then turned back. Coming home the wind was vigorous but not cold. The sumacs were flashing their color in a huge growth near the old apple orchard.

A few poplars had turned just enough to look golden in full sun though they are still green. Jewel weed plants, profusely hung with brilliant jewel-like flowers. I picked a few of these in orange to put beside my pink ones at home. I did the same with the white turtle head as I have a beautiful pink one. A splendid bouquet.

"Yes, Fall arrived this morning. I felt her tangy touch. Persuading me to wander. Down paths I love so much."

It looks familiar to see the school bus go by again.

On Tuesday, I went with my sister, Lucy, to Sanford to be with my sister, Annie, while her husband was having surgery. On the way home we called at my brother Ernest's in Poland as he had just returned from the hospital on that day.

The Innans have moved back to their home in West Paris. It seems as if their summer's stay has been brief.

On Friday evening I went with Ruth Hastings and Lettie Brooks to the meeting of Delta Kappa Gamma at West Peru.

Judith Hakala was at the home of her parents, Mr. and Mrs. Stanley Hakala, over the week end.

Mr. and Mrs. Robert Holt and son, Danny, of Windsor were at the home of Mr. and Mrs. Leonas

What a still morning! Not only are the children back in school, but, as one person I was talking to said, it is almost like the calm before a storm. It is dark today, but, as I haven't heard of any report of a storm coming we'll just have to wait to see what develops.

Those who started kindergarten this year on the Bethel side of the road are Liza Thurston, daughter of Mr. and Mrs. Larry Thurston; Amy Laban, daughter of Mr. and Mrs. John Laban; Eric Anderson, son of Mr. and Mrs. Steve Anderson; and Heidi Moore, daughter of Mr. and Mrs. Stan Moore.

Frank and Sylvia Benson went to visit his sister, Gladys Easter, West Peru, Sept. 3. They also went to Portland one day.

Mr. and Mrs. Ricky Seames camped at Silver Sands camping area, Chester, N. H., from Sept. 2 to 5. They took a side trip to Benson's Animal Farm, and Canoodle Lake Amusement Park. While at the farm Ricky and Dawn had rides on a live elephant and live camel.

Mr. and Mrs. James Monahan had as guests Aug. 28, Mr. and Mrs. George Monahan, Brookline, Mass.

Mr. and Mrs. James Monahan spent the Labor Day week end in Augusta with friends.

Mr. and Mrs. George Gilbert were away from the 7th to the 10th. One of their days was spent going through the different buildings which comprise the museum in Shelburne, Vt.

Mr. and Mrs. Tom Gibbs went to Bean's Restaurant, Sept. 14, to celebrate their wedding anniversary.

Mr. and Mrs. Joe Shimamura and boys went to Bear Pond in Waterford for the tannery's annual picnic.

Started down to get Ira at Portland Sept. 5 and picked up Aunt Sara, Albany, to go down to my sister, Mrs. Iva Holden, as she had called up saying we could all go in her car. Am I glad that she did as when I got out at Iva's could see that our radiator had quite a leak. We stopped at all the yard sales we could see going down. One we went on a dirt road and when we got to the house the girl, who was lying in a hammock, said that it was just a week end sale. Oh well, we went on a road that we had never been on before.

We still had quite a lot of time left so we went up to the restaurant. We got near the window where we could watch the planes coming and going and had a very enjoyable hour waiting. When we got back to Iva's we filled up the radiator and did get home. The radiator, though, was so brittle that if one place got patched another would break out so we are now waiting for the one we have ordered.

Mr. and Mrs. Homer Smith, Jr., had a going away party for their

son, Dennis, who left for Fort Dix, N. J., Sept. 11. Dennis and Alan Lowe signed up in the buddy system. Those there for dinner were Mr. and Mrs. Homer Smith, Jr., Dennis, Andy and Christine Smith, Mr. and Mrs. Larry Smith and Shawn, No. Conway, N. H.; Mr. and Mrs. Kerry Smith, Farley, Vt.; Mr. and Mrs. Bruce Smith, Matthew and Michael, So. Paris; Doug Smith, Heather Downing, Hyannis, Mass.; Donald, Travis, Brian and Tracy Bacheider; Susan Perry and Jimmy Young; Carlene Bacheider made a decorated cake for the occasion. Other friends dropped in off and on during the afternoon.

Mr. and Mrs. William Elliot, Rumbold Point, called on Mr. and Mrs. Ernest Angevine, Mr. and Mrs. Orla Deblois, Shelburne, N. H., were callers also at Angevine's.

Alberta Angevine and Betty Blake went to Lewiston one day to have Red's 7 pound brook trout, caught in Canada, mounted.

Flora Larivee and Mary Dougherty, Manchester, N. H., came for supper Thursday night and left Friday after breakfast with their friends, Mr. and Mrs. Lester Butters.

Monday's Les and Ruth Butters took his sister, Vera Parker, to Lewiston to visit Guy Parker in the hospital.

Mr. and Mrs. Victor Coolidge took their two daughters to Holidown on Ice Saturday.

Leslie Lapham went to visit Mr. and Mrs. William Helm, Andover.

Myrtle Lapham went with Elsie Davis to Hulda Stevens' camp at Songo Pond to a U. M. W. meeting and not back lunch Thursday and Leslie went to Senior Citizens dinner at church.

Steve Anderson went over the week end to help Bill Lynch move to Cape Cod. Steve came back with David Myers.

Mr. and Mrs. Lester Butters went Sunday to Lovell to visit Mrs. Marion Rodgers.

Kristy, daughter of Mr. and Mrs. Dick Angevine, spent Saturday night and Sunday with Becky Carter at Becky's parents, Mr. and Mrs. Tim Carter's farm.

Vince Chapman, son of Mr. and Mrs. Howard Chapman, stayed overnight last week with his friend Danny Myers in Bethel.

More Precious Than Finest Jewels
Never lose an old friend
No matter what the cause.
We wouldn't ever do it.
If we didn't look for flaws,
The one thing worth while having,
Is the friend who stands the test,
And who has one friend such as this.

Knows friendship at its best.

How Can Realtor Help?
Selling your home through a Realtor will bring you as much or more profit—with none of the attendant problems and headaches you can expect when you try to sell it on your own.

Besides his knowledge of the market and the skill to suggest realistic prices, the Realtor has built up a list of prospects that no homeowner can possibly match. . . . prospects who are honestly interested in finding a home and financially able to buy. . . . not casual lookers. He knows how long to hold out, whether to take a second mortgage, how to handle earnest

money, whether to lease with option to buy or sell on contract. He's prepared to arrange the intricacies of financing and the "know-how" necessary to close the transaction properly. Believe me—listing with a Realtor will save you time and make you money.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **EARLY REAL ESTATE**, 60 Main St., Bethel. Phone: 824-2122, 824-2579. We're here to help!

The Friendly Senior Citizens met at the North Waterford Vetry Wednesday with about 50 present. A pot luck dinner was served at noon. After that Mrs. Jo Sanderson called the meeting to order, with a prayer from Steven Taylor, and a Salute to the Flag. A birthday cake was served to everyone having birthdays in September. A letter was read from Mr. and Mrs. Kent which was enjoyed by all. Lawrence Kismann of Fryeburg gave us a most interesting talk. Plans were made for the foliage trip to the Castle in the clouds for Sept. 27. Transportation will be furnished by Bennett's bus of Fryeburg.

Many people are hauling water, so here's hoping that we get a few days of rain.

Mrs. Adeline Stevens was secretary pro-tem in the absence of Mrs. Beryl Oja, who is a surgical patient at Stephens Memorial Hospital. Plans were made for another public supper Sept. 30, 5:30 p. m. Same committee will serve for this summer as the last one. Mr. and Mrs. Peter Nero who have a camp on Moose Pond, joined the Community Club and paid dues, also Jackie, Betty, Herbert Stevens, Lois, Howard Ellingwood paid their dues. Doris Lawrence and Eveline Barrett engaged the hall for Sept. 24, when they will entertain the Coffin-Lawrence reunion.

We extend our sympathy to Dr. Allan Weeks and family of South Paris, in the loss of their loved one. He has been Joe's doctor, off and on for several years.

Saturday afternoon the electricity was off from 4 o'clock to 5:30 due to a tree or limbs on the wires. When the power came on, the ball game was all over, so I didn't have to see the Bosox get skunked. Maybe if they had worn their long Johns they could have played ball.

I missed the KD's news in last week's paper, didn't get mine in the mail September 2 so on Tuesday morning I took them to Bethel and called on my brother, Arthur Coffin and wife, Gertrude and my sister-in-law, Agnes Coffin so I had a busy morning. That called for a treat so I got a hot barbecued chicken at Hathaway's and nibbled on the way home.

Mrs. Beryl Oja expects and hopes to come home from the hospital on September 13. A lucky day.

How can a quality investment pay you a return as high as 6.71%* tax-free?

This high return is possible partly because Nuveen Tax-Exempt Bond Fund is a unit trust. It consists of 26 municipal bond issues. Investors in the Fund own a proportionate interest in these bonds. When the bonds mature, the principal is returned to the investors in the Fund. There is no trading of bonds. Consequently there are no management costs—no management fee. The only continuing costs are those of the Trustee for safe-keeping of the bonds.

The high return of 6.71% tax-free also results from Nuveen's professional experience. The Nuveen organization has been specialists in municipal bonds since 1898. Nuveen is one of the largest underwriters of municipal bonds and is the largest sole sponsor of

tax-exempt bond funds with over \$2.5 billion outstanding. There is no sacrifice of quality in attaining the high return paid by Nuveen Tax-Exempt Bond Fund. All 26 issues are A-rated or better by either Standard & Poor's or Moody's, the established rating services. Moreover, Nuveen—at no cost to the investor—maintains continual surveillance of the bonds in the portfolio. Any bond showing indications of possibly not paying its interest promptly or not returning its principal in full on the date due may be sold and the proceeds distributed to the investors. You may choose to receive your interest check monthly, quarterly, or semi-annually as you prefer. Or you can get the benefits of compounding by having the interest

automatically re-invested. And you may redeem your units at any time at the then current net asset value. Minimum investment: \$5,000. Why continue to pay taxes on the interest you receive when you can buy units of Nuveen Tax-Exempt Bond Fund? Why buy any other tax-free investment when: (1) you know in advance the specific high return you'll get from Nuveen Tax-Exempt Bond Fund, Series 113 and (2) you can get Nuveen Tax-Exempt Bond Fund's protective features—diversification, A-rated or better bonds, selection and surveillance by the industry leader? GERMAN DIARY
 Ann Morton

We actually did it! One after-
 noon we left the United States—

the next we were settled in our

apartment in West Berlin, Ger-

many.

(For the record, "we" are Dave

and Ann Morton and children

Pam (16), Tom (15) and Paul (9).

For the next year we will live

in West Berlin, where Dave will

teach, and travel as much as pos-

sible in Germany.)

We flew from Boston to New

York; it was the first commercial

flight for four of the family. Our

arrival at JFK awakened us to a

problem: How do five people get

18 pieces of luggage through four

airports, on and off connecting

buses, elevators, and airplanes? We

NOTES FROM THE MUSIC DEPT.
TELSTAR REGIONAL HIGH

This is the first of what I hope will be monthly reports to the public on the activities of the Music Department of SAD #44.

The Fall football marching season is here again and the marching band is off to its usual early start. This year, unlike previous years, the band is extremely young, with 70% of the group being 9th and 10th graders. As a result of the terrible weather in the fall of last year, in which we were only able to march one time, most of the band has little or no previous half-time marching experience. However, enthusiasm is building rapidly and the band has a good learning attitude, so I feel that the band will soon be back to the fine marching unit that has become a tradition at Telstar.—Jerry Healey, Director.

Magalloway & WILSON'S MILLS

— Mrs. Bertha West, Corres. —

Mrs. Russell Bennett family who have spent the summer at their camp here, have moved back to Rumford. Wendy is a junior in high school and Steven is in the 7th grade.

Mr. and Mrs. Roy Petrie and friend, Lucy McCabe returned to their home in Natick, after spending a week at their cottage. The night before they went home they got a call from a neighbor that their house had been burglarized. The same thing happened two years ago. I feel so sorry for them.

Donna Glover is transporting her son, Clifford, back and forth to high school in Rangeley daily.

Mr. and Mrs. Roy Petrie and Mrs. McCabe had dinner at Boscawen Camp Tuesday night, guests of Mrs. Petrie's nephew, Thomas Rideout.

Grange was held at their hall as usual Saturday night. They are making plans for their Grange Fair in October.

We have been having some very chilly weather, but no frost yet.

BARRACKS & AUX. #2943

Barracks and Auxiliary #2943 held their regular meeting at the Legion Hall on Vernon Street, Sept. 6 with 13 Auxiliary members, two Barracks members and two visitors, making 17 seated at the table for a pot luck dinner. The Auxiliary meeting was called to order by Past President Leona M. Curtis. The President, Mary Bishop, is in Ohio attending National Convention. Secretary and Treasurer reports were read and approved, and as of this meeting, the membership is 100%. State department officers will be entertained at the October meeting including Senior Vice President for the Dept. of Maine Auro York and guests, also Dept. of Maine Treasurer Elmira Chase and her husband Adjutant Floyd Chase. Cora Bennett reported cards sent to Doris Cornell, Marjorie Cummings and Mabel Robertson, who are on the sick list. The group will be holding a silent auction at next meeting, so please everyone bring something. An old fashioned boiled dinner will be the menu and the dinner committee is Mary Bishop, Cora Bennett, Jane Van, and Frances Bennett. Everyone had the pleasure of meeting a Green Beret officer. An Army helicopter landed on the meadow and the captain made a short visit. There were four in a reconnaissance crew making preparations to fly in a small crew next month and the remainder to come after the snow comes.

School has started so here are a few tips we'd like to pass on. First, children are unpredictable so always be prepared.

Second, many are starting for the first time and are very excited and may not be aware of you.

Third, never pass a school bus while it is loading or unloading, or when red lights are flashing. Make sure to stop when coming from either direction.

Fourth, never allow children to eat while riding on the bus—a sudden stop could cause choking.

Fifth, please be extra careful and patient as there is nothing as precious as a young child's life.

Tuesday night a board of directors meeting was held at Esther Sweetser's to appoint a secretary for the remainder of the year.

Sunday, Sept. 17, will be a training session with school buses.

Safety Tip of the Week

Locke Mills

Mrs. John Mills, Corres.

We need help! Anyone wishing to help work on enlarging the ball field and possibly creating other recreational facilities please contact Moe Nadeau or Gary Fuller. Work has already been started on clearing land for a bigger and better ball field. The recreation committee is working on other ideas to provide recreation for our children and adults. It's our dream that a recreational playground can be centered at the ball field. It is also hoped that a lot of expense can be spared the town through volunteer labor. So, let's see some community spirit and work together. Let's not leave it up to just one or two people.

The Community Club held its September meeting at the Town Hall Tuesday evening with 13 members present. Games were enjoyed. Refreshments were served by Marion Jordan, Dora Ford, and Grace Smith.
